-- **QUESTION:** “Why have you not, as yet, filed legislation to end Liberal pork taxpayer-dollar-funded student loan subsidies as our Republican Party's official platform requires?”[1] **GOP PLATFORM QUOTE:** “The federal government should not be in the business of originating student loans.”[1]/**WARNING:** *As student debt is > \$2 trillion, almost ten (10%) of total U.S. debt, we WILL crash the dollar if pork isn't cut!*

** If asking from audience, it is “essay question” & give lawmaker a chance to answer as she sees fit.

** If in person (where there's more time) -- or if follow-up is allowed -- list “multiple choice” options, below:

[[A]] I really don't support the Republican Party's stated platform, above; I'm a Liberal.

[[B]] I do support the GOP platform, but haven't filed or co-sponsored any such bills because:

[[i]] Exigent “emergency” circumstances (fill in the blank).

[[ii]] Lack of student loan bankruptcy self-defense to provide Conservative “Free Market” check on the Dept of Ed's insane & excessive lending has allowed lobbyists to make subsidy/spending cuts politically impossible, but I shall immediately support student loan bankruptcy legislation to “force down” irresponsible lending, back off lobbyists, & make needed cuts to liberal pork subsidies.[2]

[[iii]] I *have* filed / co-sponsored spending cuts legislation (fill in the blank).

[[C]] Other (fill in the blank)

[1] QUOTE: On page 35 of the Republican Party Platform[1], we see the GOP clearly says: “The federal government should not be in the business of originating student loans.” (1ST sentence of last paragraph, near bottom-right of page) [Editor's Note: This is page 42 of 66 of “PDF” page numbers, but the writer labels this as page “35,” since the first 7 pages weren't given regular page numbers.] Source: “REPUBLICAN PLATFORM 2016,” used under Fair Use for commentary, criticism, and research.
