Our Documentary is Airing Tonight and Tomorrow night on MSNBC

Everyone-

Merry Christmas and Happy Holidays! I'm glad to report that our documentary, [Loan Wolves](#), will be broadcast both tonight at 9pm EST and also tomorrow- Christmas Night- at 7pm EST on MSNBC. If you have not yet seen it, I strongly encourage you to.

This is very interesting given that Congress- most notably the Democrats controlling

Congress- frankly **betrayed their obligation** to return constitutional bankruptcy rights to student loans. While MSNBC is a very left-leaning network, the film is very balanced, and speaks to all sides of this issue.

We'll be licking our wounds for the next few days, but will be back after Christmastime to move forward. We are not going anywhere, and we're only getting stronger.

I hope you will take some heart in that, and have a very Merry Christmas, Happy Holidays, and enjoy yourselves wherever you may be!

Sincerely,

Alan
