How far back will it apply to those who already declared?

There is no time limit. If you can re-open and append your filing, then you can append it to include federal loans. Check with your attorney.

While I could not have done this without you, **Alan Collinge** (thank you for your tireless advocacy and taking time off from a better paying job to help us, **Alan Collinge!**), nonetheless, yes, I did push Hawley by my almost 30-minute telephonic press inquiry(\*\*) to his office at 4:59 P.M. late late night, to his DC office, asking why he supported our bill in Committee comments but didn't cosponsor it. Apparently, I shamed him, and he's on board.

❤️ ❤️ ■\_> GOOD NEWS >> My new strategy, given this new development, is to tell GOP lawmakers that S.2598 now has more Republican sponsors than Democrat (which is true: 2-1), and that they need to be like all the cool kids and join the other GOP lawmakers here -- lawmakers whom they should trust, and COSPONSOR THE BILL already, and also look at H.R.4907, as well. ^new strategy ^^

Plus, tell Democrat lawmakers to get on board or get crushed in midterm elections. 😊

(\*\*) I'm a talkative long-winded person, and can (sometimes) get away with a 30-minute phone call to lawmakers and their staff, but Kids don't try this at home unless you're an expert: Less is more. Keep it short and sweet. 😊

You're welcome, **Kathryn McGann**-- and thank \*you\*. EVERYONE-- SHE IS RIGHT: Whether or not we can financially support **Alan Collinge** aka **Alan Collinge** and **Edward McKinley** for taking time to help us out... nonetheless, we should all be calling, writing, visiting, Facebooking, Tweeting, and otherwise speaking to lawmakers and press in our area and abroad. Early and often. ❤️❤️😊😊👍

PLEASE everyone - do one task that **Alan Collinge** or **Edward McKinley** ask us to do - one tweet, one sharing of the petition, one media contact. If you feel lazy or overwhelmed, then just take ONE THING and do that one thing. Then the next day do it again - one thing. The effect of Gordon's phone call is a BIG DEAL. Our combined effort will be a big deal too. Even if you think it won't matter to do the Tweet, do the email, do the phone call, do the sharing of the petition, if we keep doing it one day at a time, our

combined effort will be a BIG DEAL. We are all in this together.

And he is one of the most far right Republicans of them all... so if we can get him onboard..... then maybe there is some hope for progress after all = )

Correct. I'm as far-right as Hawley or more, but most of us on both/all sides of the political spectrum **agree** on this issue (and many, many -- even if not all -- issues). We keep the faith, **Paul Simon**.
