I was sad to say goodbye today to intern Connor Davis. Connor recently graduated from the University of Florida and commissioned into the U.S. Army as a 2LT. On behalf of the constituents of the 15th Congressional District, I thank you for your service and wish you much success in the future!

Well wishes to him. Oh, I forgot to mention, Scott: regarding my previous legislative Constituent feedback:

Besides the sheer wisdom of *you* cosponsoring a House companion bill to S.2598, a student loan bankruptcy bill with TWICE as many GOP sponsors((**)) as Dem, let me share 1 key fact I previously forgot:

If you help Dems on issues which are important to them (like this bill), they will be more inclined to help you.

As we GOP are in the minority, I exhort you to take my sage advice.

((**)) PROOF: <https://www.congress.gov/.../senate-bill/2598/cosponsors>

Will you sponsor a companion bill -- or, rather, will you allow Democrats to own us, and own this issue? Plz let me know if you stand with Sens. Josh Hawley (R-MO), John Cornyn (R-TX), and myself, not to mention moderate Democrat Sen. Dick Durbin (D-IL), whose help you absolutely will soon need. Thx.

Bankruptcy Uniformity is not a free handout, Scott, but rather a requirement of the Uniformity clause of the U.S. CONSTITUTION: Art.I Sec.8, cl.4. Otherwise, you would not have Conservative GOP senators like Cornyn and Hawley support **#S2598**, nor would I support it: All of us are Conservative, no?

Gordon Wayne Watts I found something that he would be looking into -- I am going to park this link longreads.com/tag/jobs while I am trying to arrange a few flashdrives for this. Congressman Scott Franklin would you mind if I asked this, those who use email to work in the Publishing Industry at large shouldn't have their email intercepted if they're working with their friends and family back home in Illinois, there is something that **US Postal Service** and **NPR** had something going around -- I will show Gordon this article because my best friend is a Maintenance Mechanic.

Nickolaus A. Pacione, I know my posts, to Rep. Franklin, are sometimes long, so I'll keep today's reply short: If THE US CONSTITUTION is indeed important as Rep. Franklin often says, then please, Rep. Franklin, please notice that <https://ContractWithAmerica2.com/#bankruptcy> documents the need for H.R.4907 and S.2598 (or similar bills) to correct the current U.S. BANKRUPTCY LAW, which violates the U.S. CONSTITUTIONAL UNIFORMITY CLAUSE, Art.I, Sec.8, cl.4, as I believe **Alan Collinge** and other experts have pointed out.
