Richard, this is Gordon in PlantCity, Fla, again. Thanks for responding earlier, below. The other guest, Michael Fitzhugh Bell, not Mark Fiorentino at <https://www.coasttocoastam.com/show/2023-04-01-show/> was the one I was emailing, and he got my email and replied I think a few days later.

*Anyhow, I was wondering if, when you get a chance, you could forward a message to your colleague, "deacon" Ian Punnett. When you read my message, which I think I might have successfully sent via his Instagram, you'll understand. Here's my message with related photo... **attached as a Jay Peg image in this email***

Begin Copy/Paste:

Ian, this is Gordon; as I'm sometimes talkative, I'll cut2the chase: Late Sat evening 4-29-2023 shortly after bedtime, I woke from a dream about you; scared the hell out of me; I write to assure you I immediately prayed for your safety! Want to find out if everything is OK. I almost always record my dreams in a journal (It's the last entry) will try to send photo. In the dream, we were hanging out at huge public gathering. I'm bad w/ faces & tried to figure out if it was you or Richard Syrett but think it was you. In the dream, we made light talk; you looked either sick or tipsy from too much drink, started to lose footing, slipped & fell, hitting the ground with your head before I could catch you. I freaked out, cradled your body & hollered for 911. I know we had misunderstanding on Twitter because I kept responding to another user & was talkative. I think I was no worse than the other guy, but I'm not mad. Twitter isn't important. You are. Is all well, Ian? Gordon Wayne Watts in Fla

Thanks for getting back to me, Richard.

I did use 2 email addresses for him, one which I guessed at, and it bounced back.

But his Gmail email address in my email to you two was from his website, and seemed good, and didn't bounce. (I'll look again on his website to see if it also has a "portal" for email as well as his Gmail address.)

Just between you and me, I included George and Tommy and Gina a Bcc copy to keep them in the loop. (Not sure that they have time to read it all, but just as a courtesy.)

In any event, I hope I was diplomatic and respectful in my occasional emails to guests. If Michael responds, I'll try to remember to include you a cc in my reply acknowledging him.
