**Subject: Short, 1-question press inquiry**  
**Date: Tuesday, 11 June 2024 ; 06:37 P.M. (EST) ///**

Jen Barbosa, Republican (656)208-1282, <http://www.JenniferBarbosaForCongress.com>

James Judge, Republican (715)338-8544, <https://JudgeForCongress.com>

Pat Kemp, Democrat (813)508-0965, (813)508-0965, <https://www.VotePatKempForCongress.com>

Laurel M. Lee, Republican (incumbent lawmaker) (202)225-5626, <https://VoteLaurel.com>

Dear Candidates, if you would not mind, we have a simple, 1-question, press inquiry on the "most important" economic subject facing both Conservatives (who see student debt, at over \$2 Trillion – almost ten percent of total U.S. Debt – as the largest area of discretionary "pork" spending – and a threat to crash the dollar if left unchecked) and Liberals (who rightly call out student debt as the most oppressive debt facing middle-class Americans – especially people of colour). *\*\* Please note that breaking news has realised another performe 'bonus' question for Jen Barbosa regarding the honour-code violation being alleged in recent news reports regarding the Candidate Oath in light of California documentation to the contrary.*

**QUESTION: Will you join lawmakers (see below) on their bipartisan legislation to restore, return, and reinstate bankruptcy availability to collegiate debt – as it was in our grandparents' time – back when the system had "checks" and "balances" against**

## **excessive predatory lending (that threatens taxpayers and students alike – things of concern to both Conservatives and Liberals)?**

### **ANSWER: YES // NO**

**To all 4 candidates: If YES,** then please direct me to the section on your campaign website where you specifically and unequivocally pledge, affirm, and promise to immediately file such legislation.

**To the incumbent, Rep. Laurel M. Lee, R-FL-15: If YES,** then please – also – direct me to your press release and any legislation which you sponsor and/or cosponsor to this effect.

**To the GOP Candidates: If NO,** then please explain to our news agency **(\*\*)** why – as documented below – only 8.14% of all GOP lawmakers comply with our Republican Party's official platform on student loan originations in any way – whatsoever – in attempts to file such legislation (even when the GOP held House, Senate, & Oval Office twice recently – both in Pres. GW Bush's first 2 years and Pres. Trump's first 2 years) ; why the other 91.86% (including you three) aren't RINO's (Republicans in Name Only) who are refusing to obey our Platform ("our" implies we are a Conservative independent news agency) ; and lastly, please explain whether or not you agree with our analyses that only two (2) things will force down Dept of Ed lending (and force back higher ed lobbyists) sufficient to allow GOP lawmakers to keep their word and obey our Party Platform – which specifically prohibits such "pork" spending using tax dollars to originate (make) student loans to students who will, shortly, be unable to ever repay, thereby crashing the dollar from over-spending – either **[[1]]** an unlikely miracle – or **[[2]]** (we believe) restoration of this needed check, namely reinstatement of bankruptcy availability for student loans.

**To the lone Democrat Candidate: If NO,** then please explain why – as documented below – only 18.1% of all Democrat lawmakers attempt to obey your Democrat Party's Official platform calling for restoration of student loan bankruptcy by filing such bills (even when the Democrats held House, Senate, & Oval Office twice recently – both in Pres. Obama's first 2 years and Pres. Biden's first 2 years) ; and, why the other 81.9% aren't DINO's (Democrats in Name Only) who are refusing to obey your Platform on this key plank.

**BREAKING -- BONUS QUESTION for Republican Candidate, Jennifer Barbosa:** What is your response to multiple news media reports that investigative reporting has uncovered that you have not been a registered Republican for at least 365 days as your candidate Oath alleges, which you filed with the Florida Dept of State, Div. of Elections? (Essay Question // not YES//NO)

Cf news coverage by *The Central Florida Post*, **Contract With America: PART II**, and *THE REGISTER*, with current investigation:

**This is a simple "one question" press inquiry – very simple, insofar as it's simply a YES // NO where no further action is needed if the answer is "yes,"** but – due to the difficult emotions attached to a matter that has – we admit – even confused our own staff writers at times (who wrongly viewed Constitutional Bankruptcy Uniformity, Art. I, Sec. 8, cl.4, US CONSTITUTION) as something that might harm taxpayers – we suggest candidates might use the resources found below, in the dialogue we had with several other news media, when we were asking for their assistance in news coverage. The "long" reading below is optional, but preferable over being called a RINO (Republican in Name Only) or DINO (Democrat in Name Only), and thus, so be fair to candidates, we offer these resources: ***We are tough, but fair to all sides and wish to make your job responding easy. If you have any questions, we are here for you.***

We await your speedy reply so we may do news and commentary and investigative reporting in a timely fashion, as we have done in the past. **(\*\*)**

You are welcome, Jesse.

Do be assured that many fellow Christians, including the Christian Money guy, Jim Paris (a friend of mine) agrees that bankruptcy for student loans is not a free handout, but rather fair:

[https://youtube.com/watch?v=2lyUVB\\_8tWU](https://youtube.com/watch?v=2lyUVB_8tWU)

Also, I am sure that Senators John Cornyn, R-TX and Josh Hawley, R-Mo, who are sponsors of S.2598, 117th a student loan bankruptcy bill from last session, as well as Representatives Glenn Grothman, R-WI-06 and Ralph Norman, R-SC-05, who are original sponsors of H.R.5899, from the 116th, another student loan bankruptcy bill, are all five (six when including me) Conservative Christians who can be trusted:

And

<https://www.congress.gov/bill/116th-congress/house-bill/5899/cosponsors>

Both bills have more GOP sponsors than Democrat, and thus are not "Liberal."

If Rob West, whom I can finally cc copy, thanks to a sharp Phone Rep today, we're to join me and these others in support of bankruptcy restoration for college debt... (the same Gordon Wayne Watts in Florida who nearly won the 3rd largest pro-life case since Roe, Google Gordon Wayne Watts and Terri Schiavo),..

[4] Key Point-- I'm human, but a Christian, very smart, and have good intentions here, and can be trusted.

...Jim Paris aka Christian Money guy, and these 4 VERY, VERY Conservative Christian lawmakers,... were Rob West to join us, Rob would be in good company, but please note my prophecy and prediction, namely that without bankruptcy self-defense restoration as a Conservative Free Market check, Jesse, there won't be a check/balance on spendthrift DEPT OF EDUCATION, and they'll keep lending to defenseless students, and collapse our economy as student debt is the largest discretionary debt out there. (Think of bankruptcy defense as an Economic 2nd Amendment, meaning crime goes down when victims are armed, not up).

Anyhow, I hope this helps. But please, this is our last chance before the dollar collapses due to irresponsibly excess spending, so we have "one more chance." Please make the best of it.

Bro. West-- I was on hold for about two (2) hours trying to ask you a question when you came on Kurt and Kate's morning program, with Bro Marc Durkin producing this morning. (I accidentally called in to the 7-8 program at 7:03am and was on hold until I finally found out when your segment was on. Then, I called in promptly at 8:02am, and then Kate took my call, and I was on hold the entire hour, total two hours on hold, but still couldn't get through to you this morning, so I'll try to email you my question.) Bro Marc asked me to text him (see screenshots attached in my "regular" email if you got it), and now this will end up having "eaten up" FOUR HOURS of my time just yesterday, and more this morning. Since you can read my email and help prevent the disaster which I document here, in less time than 4 hours, please do me this favor, Bro. Rob... what was

supposed to be a short  call... is not.

**\*\*\*SUMMARY:** *My question is a national (not personal) financial question, and is a bit "hard," but you do occasionally discuss this topic, below, especially when you have guests on, so my question, while hard, is not without precedent, just a heads-up. --- My question also is a simple YES//NO question: Do you agree with my proposed solution? \*\*\**

As an aside, my suspicion that a question that had greater than average ability to avert disaster would draw concomitant larger spiritual push back or resistance, well this seems to have been an accurate prophecy or guess on my part: I suppose that a question that might fight the "largest" area of irresponsible spending would, logically, draw the largest area of spiritual warfare from Jesus'es enemies in the spirit world, fallen angels, who are trying to inflict harm upon American economy and finances (thereby explaining why my call was given lesser priority over those which were less able to protect our economy and avert disaster-- but, Marc and Kate appear to have at least tried to get me through. (I cc copy them to acknowledge their hard work and thank them.)

I hate to mention such "negative" things that would distract from my actual question, but as my question was probably the most important financial problem we can fix (nothing else is larger in discretionary spending), it was better than the other callers. (Like both Jesus and Paul, harder questions often draw persecution or spiritual resistance from fallen angels, who work in many way to "push our buttons.") However, unlike those other callers, I am skilled enough to email you, so perhaps it was a blessing to "slight" me since others who had important questions might be unable (or less able) to email you, as I am.

Anyhow, below is a copy/paste, correcting for a few spelling typos and adding references to verify claims-- of the text thread where I ask my question, and am emailing it to you since I couldn't get on:

**GORDON:** Bro. Marc, when is financial expert Rob West coming on? I want to ask a financial question. Bro. Gordon in Plant City, Florida//

**MARC:** Good morning Gordon. Rob will be on during the 8:00 hour this morning. Please feel free to text me your question for Rob. Thanks!

**GORDON:** Thx bro Marc. As it's a bit difficult due to the gravity or size, I prefer to ask it myself, and am on hold as I speak. But I'll text it, and ask you and Rob, so as to make it convenient, and plz bear in mind that as this question is probably the most important thing you'll discuss today save a matter of salvation or saving someone's life, you likely will experience some spiritual resistance from fallen angels, but here goes nothing: Student debt, at over \$2 trillion, is nearly ten percent of total Us debt[[1]], and while a few things are larger (defense or social security), this is the largest discretionary debt, thus the only thing possible to cut. Now, students have more than fully repaid taxpayers and this even at illegally inflated levels of our price gouging tuition[[2]], some having paid several times their original debt, so students aren't at fault. But if lawmakers don't stop using tax dollars to originate (make) student loans to students who won't be able to keep this up, we WILL crash the dollar[[3]] as Revelation 6:6 implies (commentary says days wages for day's food = hyperinflation).[[4]]

Question-- since Republican platform clearly prohibits this spending[[5]], but ZERO GOP lawmakers have even TRIED, even when we held both House, Senate, and Oval office twice in recent decades[[6]], do you accept my theory that only 2 solutions exist, namely either an UNLIKELY miracle or return of bankruptcy to student loans[[7]], the latter which would both force dept of Ed to be more reluctant to lend if students can defend themselves in bankruptcy[[8]] and also to send a message to lobbyists to back off and allows lawmakers to cut pork spending?

**\*\*\* YES // NO (Your answer)**

If yes, then please use your platform[[9]] to not merely complain but rather ask listening audience to demand lawmakers restore bankruptcy[[10]] as a check and balance to college debt. And google me Gordon Wayne Watts for my research. If no, then what is your solution?

We absolutely will crash the dollar if we fail to cooperate. [[3]] No pressure here, but just a friendly heads-up!

--Gordon Wayne Watts in Plant City FL

Footnotes:

[a] Revelation 6:6 This may be a warning to be very careful handling olive oil and wine, which ordinarily are basic commodities, because famine will make them very expensive. The vision indicates that famine and inflation will take such a toll that a laborer will earn only enough to feed himself with wheat, or to provide barley for a small family. [[8]] our own analysis of the situation finds that ONLY reinstatement of this necessary Conservative Free Market "check" will make it possible to reduce (hopefully eliminate) "Liberal pork" student loan subsidy originations spending--thereby averting a crash of the dollar, and inevitable collapse of the U.S. economy. However, if this is not plainly clear, let's hear from another very-far-right Conservative Republican: Congressman Glenn Grothman (R-WI-06) has made similar arguments. Grothman writes, in salient part: "If there is no risk of the federal government and private lenders losing money through the bankruptcy process, then these actors have no reason to responsibly lend to student borrowers. In turn, institutions of higher education, who have little accountability and access to an endless pool of student aid dollars, continue to inflate the cost of tuition for our students." Grothman goes on to write: "'Because of our bankruptcy laws, credit card companies and other lenders will not loan money if they do not expect it will be repaid. Sadly, in the 1970s, Congress took this safeguard away from students applying for federal loans."

Grothman concludes his press release by saying that "'Out-of-control student loan costs and wasteful spending, coupled with high tuition prices, must come to an end for the sake of our students. If this [student loan bankruptcy] bill becomes law, it will force all federal student lenders, including the federal government, to become more responsible.'," which is key to avoiding a crash of the dollar: Student Debt, at over \$2 Trillion, is almost ten (10%) percent of total U.S. Debt, a point Conservative Christians like us must remember when considering Godly stewardship and being like Paul and Jesus, versus running from a fight.

Averting a crash of the dollar is more important than individual caller questions, as hacking at branches vs going for the root is the stewardship issue implied by LUKE 16, the wise steward / wise money manager, regarding how we have choices here on how to react. Or not. Young powerless students aren't able to fix this problem they didn't create; only lawmakers... or the Iron Hand of Sovereign King Jesus taking charge in Judgment. Which will we choose?

[[10]] Ironically, bankruptcy is both implied by Jesus'es golden rule, since ALL lawmakers want bankruptcy self-defense for themselves, and thus should afford students them same:

JUDAISM: Leviticus 19:18b, Leviticus 19:34, The Golden Rule, OLD TESTAMENT (PENTATEUCH)

CHRISTIANITY: Matthew 22:39b, Mark 12:31b, Luke 6:31, Matthew 7:12, The Golden Rule, NEW TESTAMENT (HOLY BIBLE)

And is, ironically, in the Democratic Party Platform, which Republicans call "Liberal," but obeyed God, whereas my Republicans (I'm a registered Republicans) is out of step with Jesus'es and Moses'es standards above, VERY DANGEROUS in the eternal sense:

QUOTE: On page 71 of the 2020 Democratic Party Platform, we see they clearly say that: "Democrats will also empower the CFPB to take action against exploitative lenders and will work with Congress to allow student debt to be discharged during bankruptcy." (p.72, par.1, sentence 2) [Editor's Note: This is page 72 of 92 of "PDF" page numbers, but the writer labels this as page "71," since there's a title page that offsets numbering by one.] Source: "2020 Democratic Party Platform," used under Fair Use for commentary, criticism, and research. *CONCLUSION: Perhaps it was, indeed, a blessing for Kurt and Kate's show to "slight" and not put my call through: Otherwise, I wouldn't be emailing you, and I'm sure Kurt, Kate, Marc, & others truly are seeking a genuine solution, and probably suspected I'd be emailing you if I was unable to get through, and this is probably needed, since my email has helpful additional information to help you seek the only solution, shy of an unlikely miracle, to avert disaster and prevent a crash of the dollar-- namely a Legislative Solution restoring, reinstating, and returning bankruptcy self-defense (aka the Economic 2nd Amendment) to collegiate debt, like it was in our grandparents' time when Conservative and Christian free market checks existed on evil and irresponsibly excess lending. Perhaps direct funding college like we do with public ed, would save taxpayers trillions, as we could put our greedy colleges on a strict diet. Probably would save students too, a hat tip to acknowledge "Liberals" are right on some concerns too, especially considering we have a shortage of doctors and nurses and engineers and teachers due to \*\*very unaffordable\*\* college-- dangerous if you want your local 911 center and emergency room to be staffed with medical staff and doctors!!*
