I am incredibly honored and humbled to have President Trump's endorsement. When he is elected in November, I vow to work alongside him as an America-first conservative to reverse the policies of the Biden administration, including the crisis at our southern border.

With all due respect, **Congresswoman Laurel Lee** -- Atty Lee: Both you and President Trump have repeatedly promised to cut Liberal pork spending:

"Trump Proposes Limits On Student Loan Borrowing," By Zack Friedman, FORBES, Tue. March 19, 2019, <https://www.Forbes.com/.../trump-proposes-limits-on...>

We did news & commentary supporting his efforts here: <https://ContractWithAmerica2.com/#pork>

While President Trump gave up (a very huge disappointment here!), he at least tried, and I do not consider him a RINO, but Atty. Lee, with all due respect, it is well-documented that you NEVER tried:

Proof that almost 100% of all Republican lawmakers are hypocritical RINOS who refuse to even TRY to obey our GOP platform's plank prohibitions against taxpayers funded student loan originations spending using MY tax dollars:

Look, I'm not trying to be mean, but your legislative record is that of a tax/spend RINO, and Mr. Trump's endorsement of you surprises (disappoints, even angers) me, and I'm wondering whether he has drifted to The Left.

Why should I not vote for Jen Barbosa or **James Judge** in my upcoming GOP primary?

You and Mr. Trump have high disregard for our GOP Platform!! Look again, please, and again, now why should I vote for you and not a genuine Conservative?

QUOTE: On page 35 of the Republican Party Platform, we see the GOP clearly says: "The federal government should not be in the business of originating student loans." (1ST sentence of last paragraph, near bottom-right of page) [Editor's Note: This is page 42 of 66 of "PDF" page numbers, but the writer labels this as page

This does not change your F-rated voting record as a conservative or the fact that you are funded by enemies of the American way of life. You have consistently voted against the wishes of the American public, and voted 100 percent in lock step with Kathy Castor (D-FL) on every single funding bill. While millions of illegals have swarmed our borders, you borrowed our future money to give away to foreign countries for free and funded the border crisis. This Republican Congress has failed under Mike Johnson. Every single Democrat and 190+ Republicans should be fired from Congress.

**James Judge** I don't agree with President Trump on this one.. 👍

**James Judge** didn't Trump ask someone to replace her ? He also endorsed Sabantini's opponent. WTF is happening ?

**Shawn Hayston** I am a Trump supporter. He has made some WTH endorsements that have proven to be 'bad'. I think he needs to slow down and vet more closely some of these endorsements.

**James Judge** How the heck did he miss this before endorsing?

Stay in the race James. Doing what is right never has an expiration date. Lee was an "Establishment Swamp rat" while serving as FL Sec of State and she remains an even greater "political menace" now that she is in Congress.

We have so many issues with our country mostly exasperated by the current POTUS (career politician)/government and we need to return the non politician (Trump), a businessman who has nothing to gain but a thriving country in which he, his family and the rest of us can live in. He will close he border, stop illegal immigration along with illicit drugs coming across killing our kids and citizens and all sorts of other issues brought in under the current administration.
